Expand your ability to provide care with an RN-to-BSN

The Capella University online RN-to-BSN program has two learning formats, designed to sync with working nurses' schedules. You'll gain the skills you need to improve outcomes for those who matter most – your patients.

Accelerated master's pathway

If your goal is to learn to lead by earning an MSN, the Capella accelerated master's pathway offers a fast, direct route by allowing you to take master's-level courses that apply to your BSN. Once you're accepted into the MSN program, those master's courses can be applied toward your degree, potentially saving you time and money.

Program overview

Our CCNE-accredited* BSN can help you grow your skills. Our expert faculty, support teams and online resources are with you every step of your program. Learn to lead the transformation of health care, and adapt to the evolving needs of your patients, your practice and your community.

Curriculum overview

- **Core coursework:** Complete **seven** foundational courses in addition to general education and elective courses.
- **Course requirements:** A total of **90** program points in FlexPath or **180** program credits in GuidedPath.

Tuition-saving options
