

Medical School Scholarships

One or more scholarships up to \$5,000 each will be awarded annually. Students enrolled full-time in an accredited medical or osteopathic school, and are from Carroll, Audubon, Calhoun, Crawford, Greene or Sac counties are encouraged to apply. Scholarships will be applied toward tuition, books and/or equipment. Preference is given for students who demonstrate an interest in practicing in Iowa and especially in a rural regional setting such as St. Anthony Regional Hospital. Academic achievement and leadership qualities will also be considered.

Inclusion Criteria

- Medical Student (Entering M3 & M4 or OM3 & OM4)
- Student attending an accredited medical school
- Student from the six county area: Carroll, Audubon, Calhoun, Crawford, Greene, and Sac
- Demonstrated scholarship and achievement in medical school
- Completion of the application requirements

Application Requirements

- A written personal statement explaining your philosophy about medical care, why you are pursuing a medical degree and outline your intended career plans including your interest in rural healthcare
- Enclose a curriculum vitae
- Two letters of recommendation from faculty members at the medical school

Criteria for Consideration

- Quality of the submitted brief essay (40%)
- A demonstrated interest in rural practice as shown by completing a preceptorship or elective experience in a rural Iowa community, and/or in the judgment of the committee, are likely to pursue a career as a physician in rural Iowa, i.e. being from rural background (30%)
- Demonstrated achievement in medical school (15%)
- Quality of letters of recommendation (15%)

Scholarships up to \$5,000 will be awarded. The St. Anthony Foundation Scholarship Committee decides upon the amount and terms of the grants. This committee has full discretion pertaining to the recipients and scholarship amounts.

The deadline to receive applications and letters of recommendation is June 15, 2021.
