EXPAND YOUR
KNOWLEDGE AND ABILITIES

mtmercy.edu/rn-bsn

“

I feel I'm more aware of how I interact with students, new grad employees, and management. I have also joined new committees at work seeking new ways to improve patient satisfaction and care.

JESSE BRANSCOMB '19 RN-BSN

RN, Labor & Delivery

MOUNT MERCY UNIVERSITY

MASTER OF SCIENCE IN NURSING (MSN)

NURSING is in our DNA

mtmercy.edu/msn

The program not only taught me the basics I need to know, but also improved my professionalism, effective communication, critical independent thinking, and problem-solving.

COURTNEY RUST '16, '19 MSN
