Multiple options

### Strengthen your nursing profession. Increase your impact.

As nursing evolves, more highly qualified and specialty nurses and nurse consultants are needed to support that growth.

Online nursing programs from Northwest Missouri State University empower you with up-to-date knowledge, advanced nursing skills and an expanded perspective on nursing practices that support you and your fellow nurses and positively impact patient outcomes.

Benefit from 100% online coursework, instruction from experienced faculty and scheduling flexibility.

### Choose from:

- MSN – Nurse Educator
- MSN – Nurse Executive
- Nursing Administration Certificate
- Nurse Educator Certificate

### From DAY ONE, experience:

- Personalized support
- Hands-on learning
- Modern workforce tools
- Student success
- Bearcat family

### Graduate and post-graduate options for you to choose from.

The Northwest Missouri State University Master of Science in Nursing degree program (via distance education) is accredited by the National League for Nursing Commission for Nursing Education Accreditation (NLN CNEA), located at 2600 Virginia Avenue, NW, Eighth Floor, Washington, DC 20037.
