Mission

St. Anthony is inspired by faith and committed to excellence.

We are dedicated to improving the health of the people we serve.

We will lead in providing high quality, high value healthcare services responsive to the needs of our patients and the region.

We are committed to the health ministry of our sponsors, the Franciscan Sisters of Perpetual Adoration.

Vision

As a faith-based regional provider, St. Anthony will continue to be the recognized leader in mission focus, quality care and fiscal strength in Iowa.

St. Anthony to Honor Franciscan Legacy with Founders Day Celebration

On Sunday, August 26, St. Anthony Regional Hospital & Nursing Home will host a special celebration to honor its founders, the Franciscan Sisters of Perpetual Adoration

(FSPA). The event will feature a private mass led by Father Tim Boekelman and a dedication of the Garden View Grotto. St. Anthony employees donated the funds to build the Grotto, which is being dedicated to the Franciscan Sisters in honor of more than a century of sponsorship.

The public is invited from 3:00 p.m. to 5:30 p.m. to a reception with refreshments at the Bishop Greteman Center at Holy Spirit Church, located at 421 East Bluff Street in Carroll. More than 30 Franciscan Sisters will be in attendance, including President Sister Karen Lueck and Vice President Sister Helen Elsbernd.

“St. Anthony has a strong faith based foundation in Catholicism that originated through the sponsorship of the FSPA. This is our opportunity to thank the Sisters for their leadership and legacy, as we continue our mission of providing high quality, compassionate care that is inspired by our faith,” said Ed Smith, St. Anthony President and CEO. “The Franciscan Sisters have served this community for decades, dedicating their lives through prayer, service, education, caring of the poor and sick, along with many other professions – and for that we want to recognize their tremendous efforts.”

In addition to their leadership role at the hospital and nursing home, the Sisters served an important part in the community and education, staffing 18 grade schools and high schools in west central Iowa from 1880 to 1998.

“The Founders Day Celebration is an occasion in which we can celebrate the ministry of FSPA and health care at St. Anthony that began over 110 years ago,” said Sister Helen Elsbernd. “Today, the hospital is thriving. I’m so proud St. Anthony will continue to be a Catholic institution as FSPA transitions to address the evolving needs of humankind focusing on social justice issues such as human trafficking, homelessness, and immigration. It is important to take this opportunity to recognize the history and development of St. Anthony.”

The celebration will also be an opportunity for the community to meet the six members of St. Anthony Ministries: Sr. Julie Tydrich, Sr. Sharon Berger and Sr. Dawn Kutt who are FSPA and three lay members of St. Anthony Hospital's Board of Directors, Fred Dolezal, Nick Badding, and Peggy White. The FSPA is transitioning its sponsorship of St. Anthony Regional Hospital and St. Anthony Foundation to St. Anthony Ministries. St. Anthony Ministries was created to serve as the direct connection between St. Anthony Regional Hospital and St. Anthony Foundation and the Catholic Church and relates directly to the Bishop in the Diocese of Sioux City.
