Mission

St. Anthony is inspired by faith and committed to excellence.

We are dedicated to improving the health of the people we serve.

We will lead in providing high quality, high value healthcare services responsive to the needs of our patients and the region.

We are committed to the health ministry of our sponsors, St. Anthony Ministries.

Vision

As a faith-based regional provider, St. Anthony will continue to be the recognized leader in mission focus, quality care and fiscal strength in Iowa.

St. Anthony Regional Hospital Adds General Surgeon

On Monday, December 17th, St. Anthony Regional Hospital welcomed the addition of General Surgeon Patricia Teschke, M.D., who will perform general surgical operations full-time. Appointments can be scheduled through the Western Iowa Surgery office at St. Anthony by phone at (712) 792-0480.

“From the moment I interviewed at St. Anthony, I really enjoyed the hospital and the community. The surgeons and staff were kind and friendly, and I felt this is a place I can see myself for many years to come,” Teschke said. “I have a passion for surgery and enjoy the variety the job brings. I look forward to what the future has in store at St. Anthony.”

Teschke comes to St. Anthony from in Miami, where she worked in plastic surgery. She earned her associate of arts degree from the College of Southern Idaho and her bachelor’s degree in biology with a minor in chemistry, as well as her doctorate degree, from the University of Colorado. Most recently, she completed her residency in general surgery at Eastern Virginia Medical School.

Teschke’s experience in plastic surgery, specifically breast reconstructive surgery for those who have battled breast cancer, gives her insight into the entire surgical process for all patients –especially women.

“We are excited to add another dimension of diversity and expertise to our surgical team at St. Anthony,” said Eric Hammer, St. Anthony Vice President of Networking. “With the addition of a Spanish-speaking female, it is our goal that patients will find not only a talented team of surgeons at St. Anthony, but health care providers that they are able to connect with on a personal level. That connection can make a significant difference in the comfort patients have with their providers.”

In her spare time, Teschke enjoys painting and staying active through running, hiking and rock climbing.
